What is the Lawsuit About?

A class action lawsuit was commenced in British Columbia (the “Action”) against Navistar Canada ULC, Navistar, Inc., Navistar International Corporation, and Harbour International Trucks Ltd. (the “Defendants”) on behalf of all persons in Canada (excluding Québec) who owned or leased a 2011-2014 model year Navistar vehicle equipped with a MaxxForce 11-, 13-, or 15-litre engine (the “Class Vehicles”). The Action claims that the Defendants sold or leased Class Vehicles equipped with a defective EGR emissions system. The Defendants deny these allegations but have agreed to a settlement with the Plaintiffs (the “Settlement”).

What are the Details of the Settlement?

The Court-approved Settlement provides payment of \$13,775,000 cash (the “Cash Amount”), and up to \$725,000 towards rebates (the “Rebate Amount”), to a collective total of \$14,500,000 for the benefit of the Class (the “Settlement Amount”). The Settlement was approved by the Supreme Court of British Columbia (the “Court”) on November 30, 2023.

The Cash Amount, less Court-approved fees, disbursements, plaintiffs’ honoraria, notice costs, and applicable taxes are being held in an interest-bearing trust account for the benefit of all Class Members (the “Cash Funds”, and together with the Rebate Amount, the “Settlement Funds”).

The Settlement resolves all outstanding class litigation against the Defendants on a national basis, including similar cases previously brought by lawyers in Ontario, Alberta and Manitoba. The Settlement provides benefits to Class Members who have not excluded themselves, including payments to Class Members who submit valid claims.

Who is Included in the Settlement?

The Class is defined as follows:
